

hcpro | PROPEL CDI

A virtual training solution that allows CDI leaders to bring the ACDIS standard of excellence to their programs.

*PROPEL*CDI provides year-round training, guidance and resources for CDI teams—all delivered by ACDIS instructors. This 100% virtual solution helps managers and directors deliver consistent training to their entire team via a centralized, virtual platform. This training helps teams achieve compliance and maximize efficiencies in your department and across the revenue cycle.

How can *PROPEL* help your organization?

- **We keep your staff current** on the frequent regulatory updates and guidance. We read the rules and guidance for you and identify the significant information to share with your team.
- **We offer consistent and accessible training** that creates uniformity of process and terminology across departments and locations.
- **We cater to your specific organization**, customizing education to cover topics specific to your CDI department's challenges or areas of opportunity.
- **We can provide reporting** on staff's progression through the ACDIS professional development online learning courses.
- **We assess your staff's learning needs** so that you can plan education and fill knowledge gaps.
- **We provide continuing education credits** so your staff can maintain certification.
- **Our programs teach CDI professionals ACDIS-approved processes** for compliant and thorough record reviews, which can lead to accurate code assignment and capture of appropriate reimbursement and patient complexity.
