

# hcpro | *PROPEL* Revenue Cycle

## Don't navigate healthcare challenges alone.

*PROPEL* Revenue Cycle is a year-round training and education program to help your organization consistently meet its financial and compliance goals.

Get the *PROPEL* difference. Our 100% virtual solution provides consistent, 24/7 accessible, expert-led training for coding, clinical documentation integrity, Medicare billing, revenue integrity, and compliance staff.

### How can *PROPEL* help your organization?

- **We operationalize regulatory changes**, helping you navigate frequent updates and understand complexities. Leave it to us to track regulatory changes and give your teams the information they need to know.
- **We offer consistent and accessible training** that creates uniformity of process and terminology across departments and locations.
- **We cater to your specific organization**, customizing your education to draw on the nuances of your clinical setting and the pieces of regulation that pertain to you.
- **We provide rules-based education** with citations and links to source authorities, giving you confidence that staff across all departments receive compliant training.
- **We provide reporting** on staff's progression through our self-directed online learning courses.
- **We provide continuing education credits** so your staff can maintain certification.
- **We help you improve efficiencies** in revenue cycle processes, resulting in faster and more accurate coding, billing, and A/R.

## **PROPEL** Benefits:

### **On-call hours with regulatory experts**

We have the industry's most notable regulatory specialists on our staff, and you have exclusive access to their wealth of knowledge.

### **An extensive portfolio of training resources**

From webinars to online training modules to in-person workshops, our blended learning solution leverages multiple instructional formats to meet your team's learning needs.

### **Focused and timely updates regarding industry change**

We stay on top of breaking information and deliver it to you in clear, manageable bites.

### **Custom reporting for administrators**

Keep track of member call participation, training completion, and more to ensure engagement across your staff.

### **Guidance sourced to government-issued guidelines**

As you navigate the regulatory landscape, we arm you with the knowledge you need to make informed decisions that are compliant with regulatory and accreditation bodies.

### **Easy-to-access educational platform for all of your staff**

Staff can log on to our web-based platform and find all of their *PROPEL* training and resources in one place. Unlimited access to the *PROPEL* resources means you can easily add staff as your team grows.
